§ 4368a. Utilization of talents of older Americans in projects of pollution prevention, abatement, and control

(a) Technical assistance to environmental agencies

Notwithstanding any other provision of law relating to Federal grants and cooperative agreements, the Administrator of the Environmental Protection Agency is authorized to make grants to, or enter into cooperative agreements with, private nonprofit organizations designated by the Secretary of Labor under title V of the Older Americans Act of 1965 [42 U.S.C. 3056 et seq.] to utilize the talents of older Americans in programs authorized by other provisions of law administered by the Administrator (and consistent with such provisions of law) in providing technical assistance to Federal, State, and local environmental agencies for projects of pollution prevention, abatement, and control. Funding for such grants or agreements may be made available from such programs or through title V of the Older Americans Act of 1965 and subtitle D of title I of the Workforce Investment Act of 1998 [29 U.S.C. 2911 et seq.].

(b) Pre-award certifications

Prior to awarding any grant or agreement under subsection (a) of this section, the applicable Federal, State, or local environmental agency shall certify to the Administrator that such grants or agreements will not—

(1) result in the displacement of individuals currently employed by the environmental agency concerned (including partial displacement through reduction of nonovertime hours, wages, or employment benefits);

(2) result in the employment of any individual when any other person is in a layoff status from the same or substantially equivalent job within the jurisdiction of the environmental agency concerned; or

(3) affect existing contracts for services.

(c) Prior appropriation Acts

Grants or agreements awarded under this section shall be subject to prior appropriation Acts.

SHORT TITLE

Section 1 of Pub. L. 98-313 provided that: “This Act [enacting this section] may be cited as the ‘Environmental Programs Assistance Act of 1984.’”

§ 4368b. General assistance program

(a) Short title

This section may be cited as the “Indian Environmental General Assistance Program Act of 1992”.

(b) Purposes

The purposes of this section are to—

(1) provide general assistance grants to Indian tribal governments and intertribal consortia to build capacity to administer environmental regulatory programs that may be delegated by the Environmental Protection Agency on Indian lands; and

(2) provide technical assistance from the Environmental Protection Agency to Indian tribal governments and intertribal consortia in the development of multimedia programs to address environmental issues on Indian lands.

(c) Definitions

For purposes of this section:

(1) The term “Indian tribal government” means any Indian tribe, band, nation, or other

organized group or community, including any Alaska Native village or regional or village corporation (as defined in, or established pursuant to, the Alaska Native Claims Settlement Act (43 U.S.C.A. 1601, et seq.)), which is recognized as eligible for the special services provided by the United States to Indians because of their status as Indians.

(2) The term “intertribal consortia” or “intertribal consortium” means a partnership between two or more Indian tribal governments authorized by the governing bodies of those tribes to apply for and receive assistance pursuant to this section.

(3) The term “Administrator” means the Administrator of the Environmental Protection Agency.

(d) General assistance program

(1) The Administrator of the Environmental Protection Agency shall establish an Indian Environmental General Assistance Program that provides grants to eligible Indian tribal governments or intertribal consortia to cover the costs of planning, developing, and establishing environmental protection programs consistent with other applicable provisions of law providing for enforcement of such laws by Indian tribes on Indian lands.

(2) Each grant awarded for general assistance under this subsection for a fiscal year shall be no less than \$75,000, and no single grant may be awarded to an Indian tribal government or intertribal consortium for more than 10 percent of the funds appropriated under subsection (h) of this section.

(3) The term of any general assistance award made under this subsection may exceed one year. Any awards made pursuant to this section shall remain available until expended. An Indian tribal government or intertribal consortium may receive a general assistance grant for a period of up to four years in each specific media area.

(e) No reduction in amounts

In no case shall the award of a general assistance grant to an Indian tribal government or intertribal consortium under this section result in a reduction of Environmental Protection Agency grants for environmental programs to that tribal government or consortium. Nothing in this section shall preclude an Indian tribal government or intertribal consortium from receiving individual media grants or cooperative agreements. Funds provided by the Environmental Protection Agency through the general assistance program shall be used by an Indian tribal government or intertribal consortium to supplement other funds provided by the Environmental Protection Agency through individual media grants or cooperative agreements.

(f) Expenditure of general assistance

Any general assistance under this section shall be expended for the purpose of planning, developing, and establishing the capability to implement programs administered by the Environmental Protection Agency and specified in the assistance agreement. Purposes and programs authorized under this section shall include the development and implementation of

solid and hazardous waste programs for Indian lands. An Indian tribal government or intertribal consortium receiving general assistance pursuant to this section shall utilize such funds for programs and purposes to be carried out in accordance with the terms of the assistance agreement. Such programs and general assistance shall be carried out in accordance with the purposes and requirements of applicable provisions of law, including the Solid Waste Disposal Act (42 U.S.C. 6901 et seq.).

(g) Procedures

(1) Within 12 months following October 24, 1992, the Administrator shall promulgate regulations establishing procedures under which an Indian tribal government or intertribal consortium may apply for general assistance grants under this section.

(2) The Administrator shall publish regulations issued pursuant to this section in the Federal Register.

(3) The Administrator shall establish procedures for accounting, auditing, evaluating, and reviewing any programs or activities funded in whole or in part for a general assistance grant under this section.

(h) Authorization

There are authorized to be appropriated to carry out the provisions of this section, such sums as may be necessary for each of the fiscal years 1993, 1994, 1995, 1996, 1997, and 1998.

(i) Report to Congress

The Administrator shall transmit an annual report to the appropriate Committees of the Congress with jurisdiction over the applicable environmental laws and Indian tribes describing which Indian tribes or intertribal consortia have been granted approval by the Administrator pursuant to law to enforce certain environmental laws and the effectiveness of any such enforcement.

§ 4369. Miscellaneous reports

(a) Availability to Congressional committees

All reports to or by the Administrator relevant to the Agency’s program of research, development, and demonstration shall promptly be made available to the Committee on Science, Space, and Technology of the House of Representatives and the Committee on Environment and Public Works of the Senate, unless otherwise prohibited by law.

(b) Transmittal of jurisdictional information

The Administrator shall keep the Committee on Science, Space, and Technology of the House of Representatives and the Committee on Environment and Public Works of the Senate fully and currently informed with respect to matters falling within or related to the jurisdiction of the committees.

(c) Comment by Government agencies and the public

The reports provided for in section 5910¹ of this title shall be made available to the public for comment, and to the heads of affected agencies for comment and, in the case of recommendations for action, for response.

(d) Transmittal of research information to the Department of Energy

For the purpose of assisting the Department of Energy in planning and assigning priorities in research development and demonstration activities related to environmental control technologies, the Administrator shall actively make available to the Department all information on research activities and results of research programs of the Environmental Protection Agency.

(Pub. L. 95-477, §5, Oct. 18, 1978, 92 Stat. 1510; Pub. L. 103-437, §15(c)(6), Nov. 2, 1994, 108 Stat. 4592.)
